Commugny sur Coppet,
den 14. II. 47.

Dear Mr. Brooks:

Many thanks for your letter from January 29. I'll send you as soon as possible some photographs and the best of the Swiss reviews. The other day "Life" has taken some twenty photos, so that you can choose perhaps someone.

Now I have a favour to beg of you. I asked for my immigration-visa, but I am without answer since november. As Allen Dulles wrote me today the difficulty is apparently that certain more or less formalistic regulations have been laid down with regard to the granting of visas to German nationals. He proposes me to add my application a test that I want to come for cultural missions or the like. He thinks that getting my book out would be in the nature of a cultural mission and it might be usefull, if you could advise the Department, that you needed me in connection with the publication of my book. Perhaps you speak with Allen Dulles directly and I'm shure, you find out the best way.

Mary Bancroft is coming to U.S.A. latest in May and I'd like to come at the same time.

I'm very glad that Allen Dulles will write the introduction. Surely that will be very helpfull.

With best best wishes

Sincerely yours,

(signed) Hans B. Gisevius
